

**Advice 16-2010 of the Scientific Committee of the FASFC on the BELGAPOM sectorial sampling plan**

This advice concerns the evaluation of the sectorial sampling plan elaborated by the Belgian professional association in the trade and processing of potatoes (BELGAPOM).

Considering a number of methodological shortcomings, the Scientific Committee is of the opinion that, in its current version, this sectorial sampling plan can not be taken into account in the framework of the official control program of the FASFC.
