23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	21	Calves (fattening)	T	11.1	Calf fattening centre
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	22	Bovines (excluding calf fattening)	E		Registration
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	23	Breeding poultry	T	10.1	Owners of a grandparent and parent bird stock holding and hatcheries
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	24	Productive poultry intended for export	T	10.2	Owner of productive poultry
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	27	Pigs	T	9.1	Pig breeding
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	29	Sheep and goats	E		Registration
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	31	Lagomorphs	E		Registration
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	33	Solipeds	E		Registration
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	37	Productive poultry intended for export	E		Registration

23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23012000	Keeping/breeding of productive livestock	40	Bees	E		Registration
23002000	Animal production (productive livestock)	23012000	Productive livestock holding	23172000	Slaughter and where necessary the dressing of productive animals (at the holding)	25	Poultry	T	2.5	Slaughter at the agricultural holding (poultry and lagomorphs)
24002010	Animal production (primary products intended for consumption)	24112011	Milk production establishment	24012011	Milk production	0	Unspecified product	E		Registration
24002010	Animal production (primary products intended for consumption)	24142012	Egg production holding	24012012	Production of table eggs	47	Laying hens	E		Registration
24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24052910	Collection, processing, preservation and storage of semen for national trade	26	Bovines	E	10.1	Bovine semen centre
24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24052910	Collection, processing, preservation and storage of semen for national trade	27	Pigs	E	10.3	Swine semen centre
24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24072910	Collection, processing, preservation and storage of semen for intra-community trade	26	Bovines	E	10.1	Bovine semen centre

24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24072910	Collection, processing, preservation and storage of semen for intra-community trade	27	Pigs	E	10.3	Swine semen centre
24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24072910	Collection, processing, preservation and storage of semen for intra-community trade	29	Sheep and goats	E	10.5	Sheep and goat semen centre
24002050	Animal production (primary products not intended for consumption)	24072900	Semen centre	24072910	Collection, processing, preservation and storage of semen for intra-community trade	33	Solipeds	E	10.4	Horse semen centre
24002050	Animal production (primary products not intended for consumption)	24092900	Pig holding	24092940	Semen production intended for inseminating sows whose offspring will be fattened at a performance control centre	0	Unspecified product	T	17.1	Pig holding
24002050	Animal production (primary products not intended for consumption)	24352051	Broeierij	24162051	Incubation of hatching eggs	0	Unspecified product	T	10.1	Owners of a grandparent and parent bird stock holding and hatcheries
24002050	Animal production (primary products not intended for consumption)	24362051	Pluimveeselectiebedrijf	24012051	Production of hatching eggs	0	Unspecified product	T	10.1	Owners of a grandparent and parent bird stock holding and hatcheries

24002050	Animal production (primary products not intended for consumption)	24372051	Pluimveevermeerderingsbedrijf	24012051	Production of hatching eggs	0	Unspecified product	T	10.1	Owners of a grandparent and parent bird stock holding and hatcheries
27003100	Aquaculture	27013100	Aquaculture farm	27013100	Breeding of aquaculture animals	51	Fish	T	18.b.1.	Fish and/or shellfish aquaculture farm
27003100	Aquaculture	27013100	Aquaculture farm	27013100	Breeding of aquaculture animals	52	Shellfish	T	18.b.1.	Fish and/or shellfish aquaculture farm
27003100	Aquaculture	27013100	Aquaculture farm	27013110	Breeding of aquaculture animals intended for a disease-free member State/zone/compartement	51	Fish	E	2.b.1.	Aquaculture farm for fish and/or shellfish intended to be introduced into a disease-free member State, zone or compartement
27003100	Aquaculture	27013100	Aquaculture farm	27013110	Breeding of aquaculture animals intended for a disease-free member State/zone/compartement	52	Shellfish	E	2.b.1.	Aquaculture farm for fish and/or shellfish intended to be introduced into a disease-free member State, zone or compartement
27003100	Aquaculture	27033100	Production zone (molluscs)	27023100	Breeding or extraction of molluscs	56	Molluscs	T	18.a.1.	Mollusc production zone

27003100	Aquaculture	27033100	Production zone (molluscs)	27023110	Breeding or extraction of molluscs intended for a disease-free member State/zone/compart ment	56	Molluscs	E	2.a.4.	Mollusc production zone intended to be introduced into a disease-free member State, Zone or compart ment
27003100	Aquaculture	27093100	Open facility	27013312	Keeping of ornamental aquatic animals intended to be placed on the market	53	Ornamental molluscs	T	18.b.2.	Open facility for ornamental molluscs, fish and/or shellfish
27003100	Aquaculture	27093100	Open facility	27013312	Keeping of ornamental aquatic animals intended to be placed on the market	54	Ornamental fish	T	18.b.2.	Open facility for ornamental molluscs, fish and/or shellfish
27003100	Aquaculture	27093100	Open facility	27013312	Keeping of ornamental aquatic animals intended to be placed on the market	55	Ornamental shellfish	T	18.b.2.	Open facility for ornamental molluscs, fish and/or shellfish
27003100	Aquaculture	27093100	Open facility	27013313	Keeping of ornamental aquaculture animals intended for a disease-free member State/zone/compart ment	53	Ornamental molluscs	E	2.b.2.	Open facility for ornamental molluscs, fish and/or shellfish intended to be introduced into a disease-free member State, zone or compart ment

27003100	Aquaculture	27093100	Open facility	27013313	Keeping of ornamental aquaculture animals intended for a disease-free member State/zone/compart ment	54	Ornamental fish	E	2.b.2.	Open facility for ornamental molluscs, fish and/or shellfish intended to be introduced into a disease-free member State, zone or compartment
27003100	Aquaculture	27093100	Open facility	27013313	Keeping of ornamental aquaculture animals intended for a disease-free member State/zone/compart ment	55	Ornamental shellfish	E	2.b.2.	Open facility for ornamental molluscs, fish and/or shellfish intended to be introduced into a disease-free member State, zone or compartment
27003100	Aquaculture	27013100	Aquaculture farm	27013100	Breeding of aquaculture animals	0	Unspecified product			
27003100	Aquaculture	27033100	Production zone (molluscs)	27013100	Breeding of aquaculture animals	0	Unspecified product			
27003100	Aquaculture	27013100	Aquaculture farm	27013110	Breeding of aquaculture animals intended for a disease-free member State/zone/compart ment	0	Unspecified product
